### IMPORTANT CHROMEBOOK NOTICE

Take care for the Chromebook you have as if it is your own. All breakage must be paid for. Never put things in the case with the Chromebook (this can break the screen). **Never** eat or drink near your Chromebook, as liquid can short out the motherboard!

Please, when charging your Chromebook, never put the cord across a path where you walk (too many charging ports have broken out of Chromebooks). Speaking of chargers, PHSD has a lot of unreturned chargers, please **return any extras you have!**

Most importantly, **Charge your chromebooks** at home every night before you come to school so you don't need to borrow one.

- **DRIVE SLOWLY** through the parking lot...watch for students and families who are walking in the parking lot.
- Students report directly to their classrooms at 7:45 a.m.
