- Live Stream [Here](#)

Boy's Soccer v. Brookings @ Dutch Bros Field – Grants
Pass (4pm)

PLEASANT HILL FOOD SERVICES UPDATE October 2021

All PHSD students will
receive free meals for the
2021-22 school year

Supply Chain Impacts on School Menus

At Pleasant Hill School District, we know the importance of school meals in fueling both healthy minds and bodies. Even though school meals may look a little different during School Year 2021-2022, please know that your school nutrition team is working hard to ensure students have safe, nutritious, and appealing meals. Today, I am writing to share how our district is working to overcome food supply and labor challenges related to the Coronavirus (COVID-19) public health emergency so that students continue to receive school meals.

At times, our school district may not receive expected food orders due to labor shortages (such as delivery drivers) and limited product availability (for example, discontinued products or not enough of a specific type of product). As a result, our kitchen may need to make last-minute changes to the menu or substitute a different brand of a food product. We know that students have favorite menu items and are working hard to provide them whenever possible. We are also thinking ahead to identify alternative food items that are nutritious and appealing for the students.

If your student has food allergies or a special dietary need, be assured that meeting these needs and keeping your student safe remains a priority for us, and we will continue to provide meal modifications.

We appreciate your patience, flexibility, and understanding as we work to provide school meals in a challenging and changing environment.

~ Elementary and High School Kitchens

Pandemic Electronic Benefit Transfer (P-EBT)

Visit pebt.oregon.gov for more information about the P-EBT program.

This institution is an equal opportunity provider.

Pending Expiration and Verification Letters

If you receive a pending eligibility expiration letter either via email or in the mail, your students will continue to receive free meals for this school year. However, if you do not complete a new 2021-22 Free/Reduced Meal application then you may lose P-EBT and other benefits, like free/reduced sports fees.

Verification Notices will be sent out this week randomly to approved free and reduced meal application families as required by Federal regulations at 7 CFR 245.6a. If your family receives a verification letter, please provide the requested documentation by November 1, 2021.
